Sales tax / Use Tax

State law requires Purple Wave collect sales tax on all applicable transactions. Sales tax rates are based on the item's location and are applied to the total purchase price (hammer price plus the Buyer's Premium). Tax will be collected unless the buyer provides proof of a tax exemption, which must be submitted before tax amounts will be removed from the invoice. Exemption forms are auction and state specific and may need to be completed for every event. Purple Wave cannot offer advice, opinions or guarantees about whether you are in fact exempt. Buyers may be subject to use tax in their state of residence. Consult your tax advisors if you have sales tax exemption or use tax questions. Purple Wave, Inc. cannot be held responsible for states' registration requirements regarding exemptions. Please note, guidelines and regulations regarding tax exemptions may vary between states. If you are eligible for an exemption, please complete the appropriate exemption certificate and email it to auction@purplewave.com or fax to 866.604.2264.

Sales Tax - South Dakota

Purple Wave will not accept out of state exemption for assets being sold out of South Dakota unless proof can be provided that shipping was arranged and paid for by the seller. South Dakota does not allow for an agricultural sales tax exemption.

Buyer's premium

A 10% buyer's premium will be added to all winning bids, resulting in the total purchase price. Your Internet bids are a contract and you are responsible for honoring them.

Inspection prior to bidding

All items are sold "as-is, where is". All information is intended to be as accurate as possible. However we recommend customers inspect prior to bidding.

- Mileage / Hours appearing in listings are representations of what is on the meter. Purple Wave does not verify authenticity of mileage or hour nor do we verify operational condition of the odometer or hours meter.
- Operating weights may vary due to additional features, options and equipment setup.
- Interior options may be listed in the description, however may not be verified for operational condition.
- Cosmetic and body damage may exist but not be added to the listings.

Asset pickup

Purple Wave reserves the right to hold assets and/or certificates of title until funds availability is confirmed. Assets will be released for pickup by you after your payment is confirmed. Winning bidders must contact the seller's contact (noted below) and bring a copy of their "\$0 due" invoice to the seller in order to make pickup. Purple Wave will communicate directly with the seller to confirm receipt of payment. Unless other removal arrangements are made with the contact at the location of your won assets within 48 hours from the end of the auction, fees for failing to timely remove items won may be assessed under the auction terms and conditions.

Shipping

For your convenience, Purple Wave partners with Beaver Valley Logistics, LLC to provide shipping and transportation services. Beaver Valley Logistics will recommend the safest, most reliable and cost effective transportation options and coordinate all aspects of the shipping/transportation service directly with the buyers and sellers. NOT ALL ASSETS QUALIFY FOR SHIPPING. Beaver Valley Logistics is available to handle all lots that are 1,000 lbs. or greater. The decision to support shipping/transportation is entirely up to Beaver Valley Logistics. The shipping arrangement is ultimately between the buyer and Beaver Valley Logistics. While Beaver Valley Logistics is our preferred shipping company, other shipping options can be provided by contacting auction@purplewave.com. To obtain a quote from Beaver Valley Logistics, contact Glen Hayes at mc933907@gmail.com or 785.689.7573.
