I certify that the above listed business is registered within the United States to resell, rent or lease property. The items listed on this invoice purchased from Roller & Associates, Inc. are going to be resold, rented or leased in our normal course of business.

I understand that if I make any use of the items other than retention, demonstration or display while holding them for sale, lease or rental, I must pay sales tax on the items at the time of use based upon either the purchase price, or the fair market rental value for the period of time used.

I understand that it is a criminal offense to give a resale certificate to the seller for taxable items that I know, at the time of purchase, are purchased for use rather than for the purpose of resale, lease, or rental and, depending on the amount of tax evaded, the offense may range from a Class C misdemeanor to a felony of the second degree.

I am in the business of reselling the items listed above, and they are not for use.
